## Statement of Probable Cause

### AFFIANT BACKGROUND:

I, Doug Remmick have been employed by the Gilroy Police Department in excess of seventeen (17) years. I am currently assigned as a Task Force Narcotics Investigator with the Santa Clara County Specialized Enforcement Team. I attended and successfully completed the Basic Police Academy in 2001. I completed the field training program and was assigned to uniformed patrol duties for approximately six (6) years. Many of my duties included responding to various types of civil and criminal complaints. I initiated and completed investigations with all types of criminal cases, including: burglaries, thefts, violent felonies, and sexual abuse. I possess a Basic POST Certificate, Intermediate POST Certificate, and Advanced POST Certificate. I graduated from San Jose State College with a Bachelor's Degree in Criminal Justice.

From January 2008 to October 2011, I was assigned to the Anti-Crime Team as a Gang Investigator, with a collateral duty of Graffiti Investigator. I was responsible for maintaining a case load to include, but not limited to, all gang related crimes and graffiti crimes. During my time in the Anti-Crime Team, I was also involved in a 16 month long term undercover operation which was immediately followed up with a 60 day gang related wire-tap investigation.

My duties included the investigation of auto theft related crimes, identification of vehicles and vehicle parts, and the enforcement of vehicle theft related laws.

In July 2012, I was assigned as a Task Force Agent to the Unified Narcotic Enforcement Team. I have learned a great deal from these conversations, including method of operation, thought process, and rationale behind the crimes. These learning experiences have assisted me with my investigation as a police officer.

My current primary responsibility is the investigation of narcotic related crimes as enumerated in the California Health and Safety Code to include conducting surveillance, preparing affidavits, and serving search warrants. In addition to the basic academy course, I have attended the following investigative classes for additional training:

## Investigation

On Sunday, July 28, 2019 at approximately 1740 hours, the Gilroy Police Department received a report of multiple shots fired during the Gilroy Garlic Festival at Christmas Hill Park located at 7050 Miller Avenue in Gilroy California. Officers who were on site at festival grounds responded and arrived in the area where the shooting was taking place within seconds. Gilroy Police Officers engaged in gun fire with the identified shooter. Based on information gained from the public safety statement at least one Gilroy Police Officer engaged in an exchange of gun with the suspected active shooter. The suspect was ultimately subdued. The scene was still active as Gilroy Police Officer were unaware whether or not there were multiple shooters or any outstanding suspects. Multiple Gilroy Police Officers and myself approached the subdued suspect who was lying on the ground and placed him in handcuffs. The suspect had an AK-47 style rifle strapped around his body which officers removed. I searched the suspect's right front shorts pocket and located a wallet in his right front pocket. Inside the wallet I located a Nevada Driver's License with the name **SANTINO WILLIAM LEGAN** with a Nevada driver's licenses number of 0506402368.

A 2011 Silver Honda Accord with a Nevada license plate of 896H06 was located on Uvas Park Drive just north of Christmas Hill Park. A records search revealed that **SANTINO WILLIAM LEGAN** was the registered owner of the vehicle.

Officers were directed to multiple locations around the festival grounds where people were suffering from apparent gunshot wounds. Medical aide responded and a total of three victims were pronounced deceased and an approximately 11-20 victims suffered from gunshot wounds.

**SANTINO WILLIAM LEGAN** has a California Driver License listing 358 Churchill Place Gilroy CA 95020 as his address and also has a Nevada Driver's License listing 150 Cliff House Road Apartment 2 Walker Lake Nevada 89415 also as his address.

The weapon strapped to **LEGAN'S** body was an AK-47 style rifle. No other weapons have been located at the scene. **LEGAN** has no firearms registered to him in California. Based on an interview with **LEGAN's** mother, **LEGAN** made purchases at Nike, Best Buy, and Big 5 Sporting Goods for items used during

this incident. LEGAN's mother identified a flashlight recovered from the scene as the same style flashlight LEGAN purchased from Big 5 Sporting Goods, along with elbow and knee pads which LEGAN was wearing at the time of this incident. LEGAN also purchased camouflage pants from Nike, which were reported to be worn by a possible second suspect. LEGAN also purchased ear bud headphones from Best Buy, which may have been used by LEGAN during this incident.

Based on all the above information, my training and experience and conversations with other officers, I believe additional weapons and ammunition will be located at LEGAN'S residence or inside of his vehicle. Additionally, given LEGAN'S actions, I believe that his residence or vehicle may contain writings, including letters, notes or other correspondence (both physical and electronic) that demonstrate LEGAN's planning to commit homicide at the Gilroy Garlic Festival. I also believe that LEGAN'S residence may contain receipts evidencing his purchase of weapons, ammunition, explosive devices, body armor and/or tactical gear. Also, based on my training and experience, I know that suspects often have text messages, notes, or types of documentation on their cellular phones which evidence their planning and or commission of crimes. I believe that such evidence exists in LEGAN'S cellular phone.

#### Disposition of Evidence

If after further examination, it is determined that the property seized does not contain evidence which requires the property to be held, or after adjudication of the cases against all defendants related to this investigation, including the resolution of any and all appeals, I request permission to return or dispose of the property in accordance with the procedures set forth in California Penal Code §§1407 to 1422, without the necessity of a further Court Order issued pursuant to California Penal Code §1536 and with the written concurrence of the Santa Clara County District Attorney's Office.

#### Conclusion

Based on the above facts, I have reasonable cause to believe, and do believe, that evidence of the commissions of felonies, to wit: violation(s) of CALIFORNIA PENAL CODE §187, and property described in the attached proposed Search Warrant will be located at the locations described above. I request that a search

warrant be issued with respect to the above location for the seizure of said property, and that the same be held under California Penal Code §1536.

Based upon your Affiant's training, experience and conversations that your Affiant had with other Law Enforcement Officers and/or reports that your Affiant has read, your Affiant requests that the court authorize the use of Federal Agency personnel to accompany the Peace Officers executing this Search Warrant for the purpose of assisting in the service and execution of this Search Warrant as provided for under California Penal Code Section 1530 and 1538. The Federal Agency personnel can also assist in the computer examinations of the seized items. Employees of the Federal Bureau of Investigation are authorized to provide technical and expert assistance during the execution of this search warrant.

Wherefore, he/she requests that this Search Warrant be issued.
